**DETAILED ACTION**

***Claim Rejections - 35 USC § 112***

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 3-8 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
3. Claims 3, 5, and 7 recite the limitation "a user interface". It is unclear if this is the same interface of claim 2, or a new interface.
4. Claims 4, 6, and 8 recites the limitation "a generated user interface" in line 2. It is unclear if this is the same interface of claim 2, or a new interface.

***Claim Rejections - 35 USC § 102***

5. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

6. Claims 1-31 are rejected under 35 U.S.C. 102(b) as being anticipated by The University of Maryland University College distance learning application, including WebTycho and IRIS.

With regard to claims 1, 5, 7, 10, 11, 12, 20, 21, 24, and 26-29, WebTycho provides access to a number of services (classes) to a number of user terminals (students) wherein it stores information about the users and services so as to authorize

the user with each service, and redirect the user to the service, and events occurring are recorded for grading purposes.

With regard to claims 2, 3, and 22, WebTycho generates a class list of only available authorized classes (WebTycho welcome screen).

With regard to claims 4, 6, 8, 9, and 23, the access is a link to the service address.

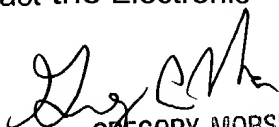

With regard to claims 13-19, 25, 30, and 31, IRIS allows for online class registration.
